Bring Prestige to your Organization with Custom Wood Lockers

Art Metal Products, worldwide storage solutions, has been the leader in manufacturing innovation for more than 100 years. As a 3rd generation family owned and operated US manufacturing company, we have dedicated ourselves to providing high quality metal, plastic, phenolic, and wood lockers. Our team of engineers, designers and sales professionals will work closely with you to ensure your complete satisfaction.

Recruiter and Club lockers are constructed of furniture grade red oak and are finished with a two coat catalyzed clear cabinet lacquer to keep the finish looking new. All Recruiter lockers can be custom designed and ordered in 6 elegant wood species.

Our quick-ship Recruiter™ lockers

can be ordered with either standard combination lock or our upgraded electronic digital locks. Custom Designs can be ready to install in as little as 8-weeks.

In addition to custom sport lockers, we manufacture custom club lockers, trophy cases, audio/visual furniture and casework to provide a complete, turnkey locker room transformation.

Get the edge in today's competitive recruiting environment by calling us now. We will help you thru the entire process from initial design to project completion. Let Art Metal Products set you apart from the competition!

If You Build It They Will Come

Imagine the powerful impact a modern, luxurious and efficient locker room will have on your ability to recruit the best players to your program. A player's locker is one of the few spaces on campus that a student athlete can truly call his/her own. Our lockers bring an upscale and luxurious design to your locker room with a very reasonable life cycle

cost. We use the finest materials and finish our lockers with a two coat, catalyzed, clear cabinet lacquer to keep the finish looking like new year-in and year-out. Each locker is hand crafted by expert craftsmen using state-of-the-art equipment to create an heirloom quality masterpiece.
